

Distributed Infrastructure Resilience Challenge

Group Meeting

7/6/2016

Summary

- **Introductions (All)**
- **Overview of RNC Research (Liam)**
 - Brief overview of RNC, QuakeCoRE and interactions with other projects.
 - Funding progress and upcoming calls for research.
- **Distributed Infrastructure Research (All)**
 - Attendees provide overview of existing research and proposed research
 - Group discussion.
- **Progress from here (All)**
 - Monthly meetings.
 - Existing end user relationships and data.
 - Student recruitment.
 - QuakeCoRE Annual Meeting.

Introductions

- University of Auckland
 - Wotherspoon, Costello, Shamseldin, Nair
 - Ranjitkar, Wilkinson, Lindsay
- University of Canterbury
 - Bradley, Hughes, Giovinazzi, Wilson
 - Cubrinovski
- Neoleaf
 - Fairclough

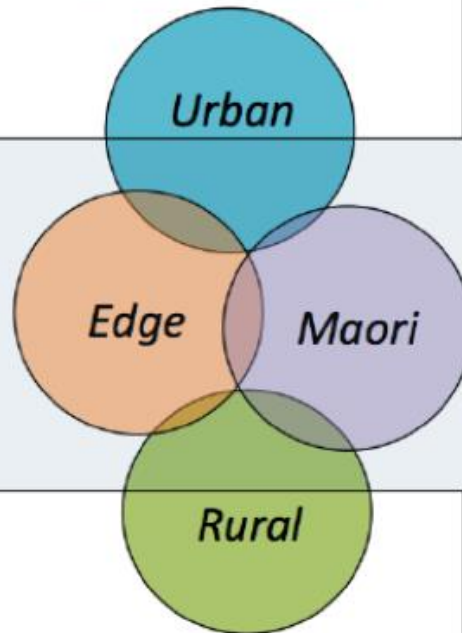

RNC

Research Strategy – Resilience to Nature’s Challenges

Underpinning Resilience Disciplines

Co-creation Labs

Priority Partnerships

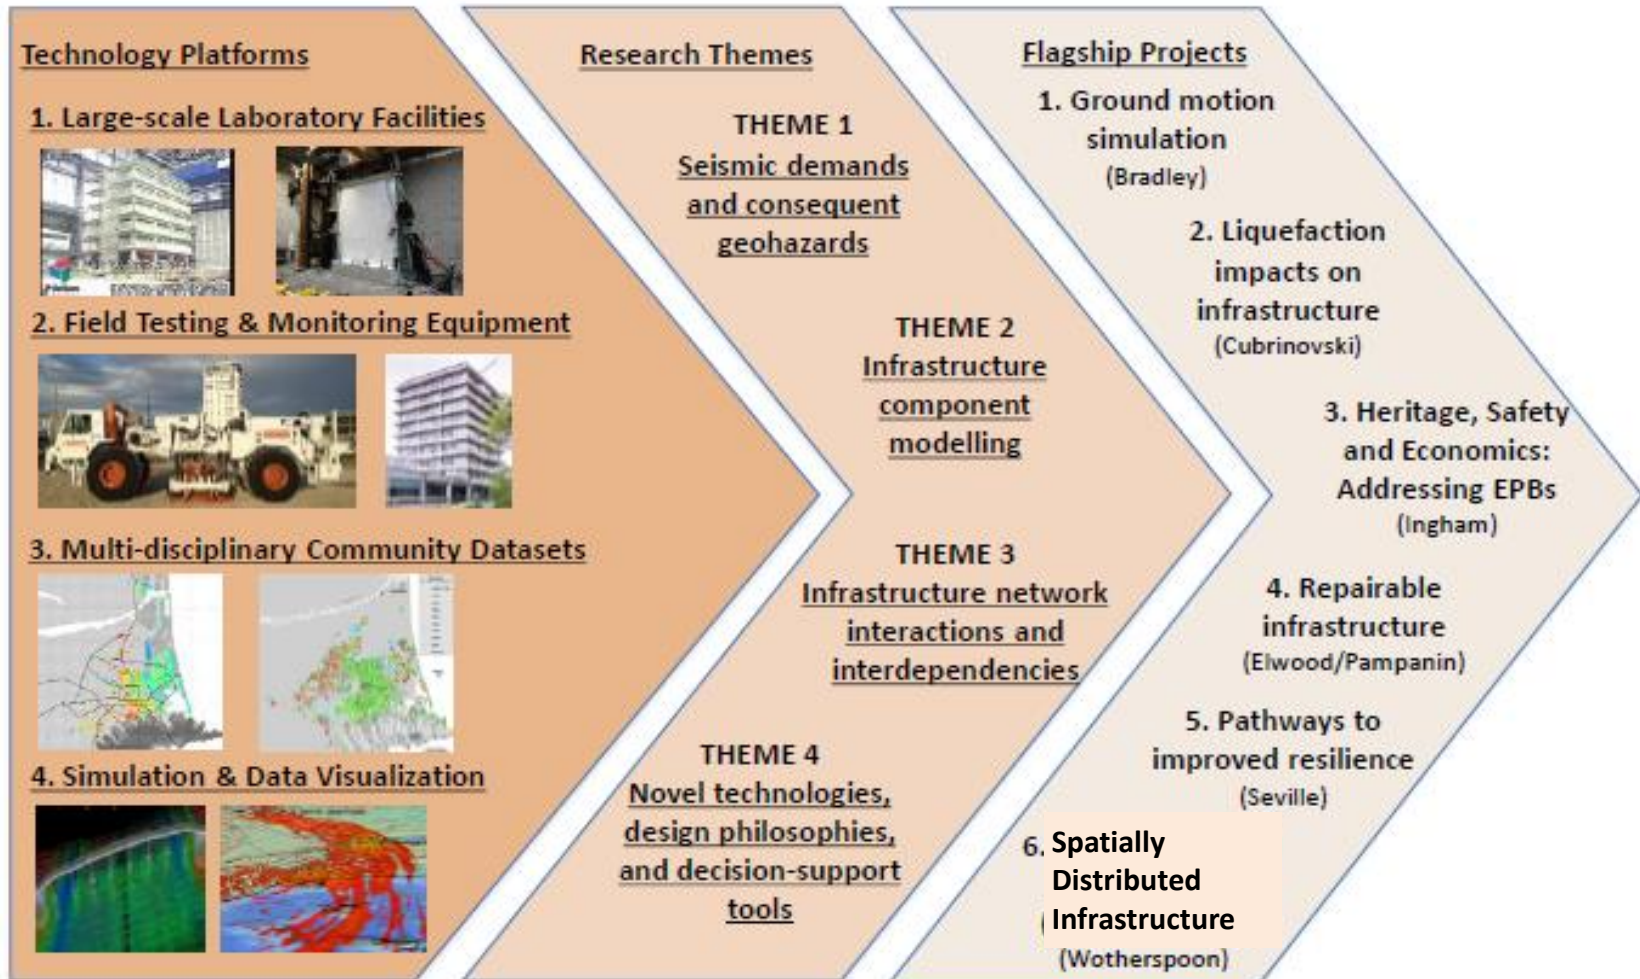

Resilience Pipeline

**A Resilient
New Zealand**

Innovative Enabling Technologies

QuakeCoRE

Funding

- RNC Core
 - Subcontracts being finalised – with UC
- RNC Contestable
 - Process TBD ~\$500k pa
- RNC/QuakeCoRE Infrastructure Contestable
 - RfP for 1 year projects ~Sept 2016
 - Projects that link into core projects
 - ~100k pa

Spatially Distributed Infrastructure

- Develop an improved understanding of the resilience of spatially-distributed infrastructure networks to extreme natural hazards
 - Detailed characterisation of components – multi hazard
 - Current network performance
 - Pre-disaster mitigation and post-disaster prioritisation effects
 - Improve resilience of lifeline providers

 - National report card framework
 - Infrastructure resilience rating system

 - Feed into socio-economic aspects of RNC

5 year outcomes

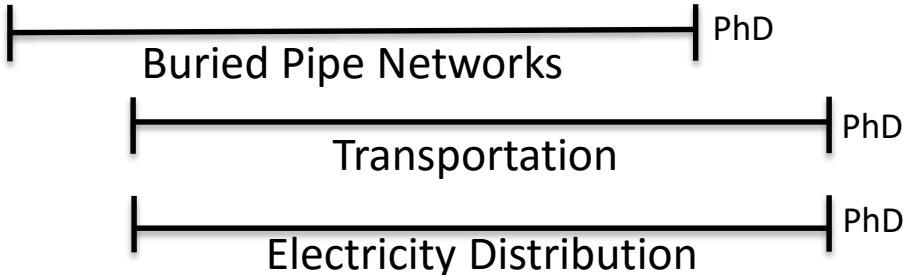

- Infrastructure owners, and society at large, more resilient to extreme natural hazards as a result of actions taken
 - Formal partnerships with infrastructure asset/lifeline groups
 - Analysis of regional scenarios
 - Demonstrate improvement in resilience practices
- Case study regions
 - West Coast, Canterbury, Auckland
 - NZTA, Transpower, WCELG, WCDC, CELG, ECan

Structure

Aug '15

Stakeholder
Engagement

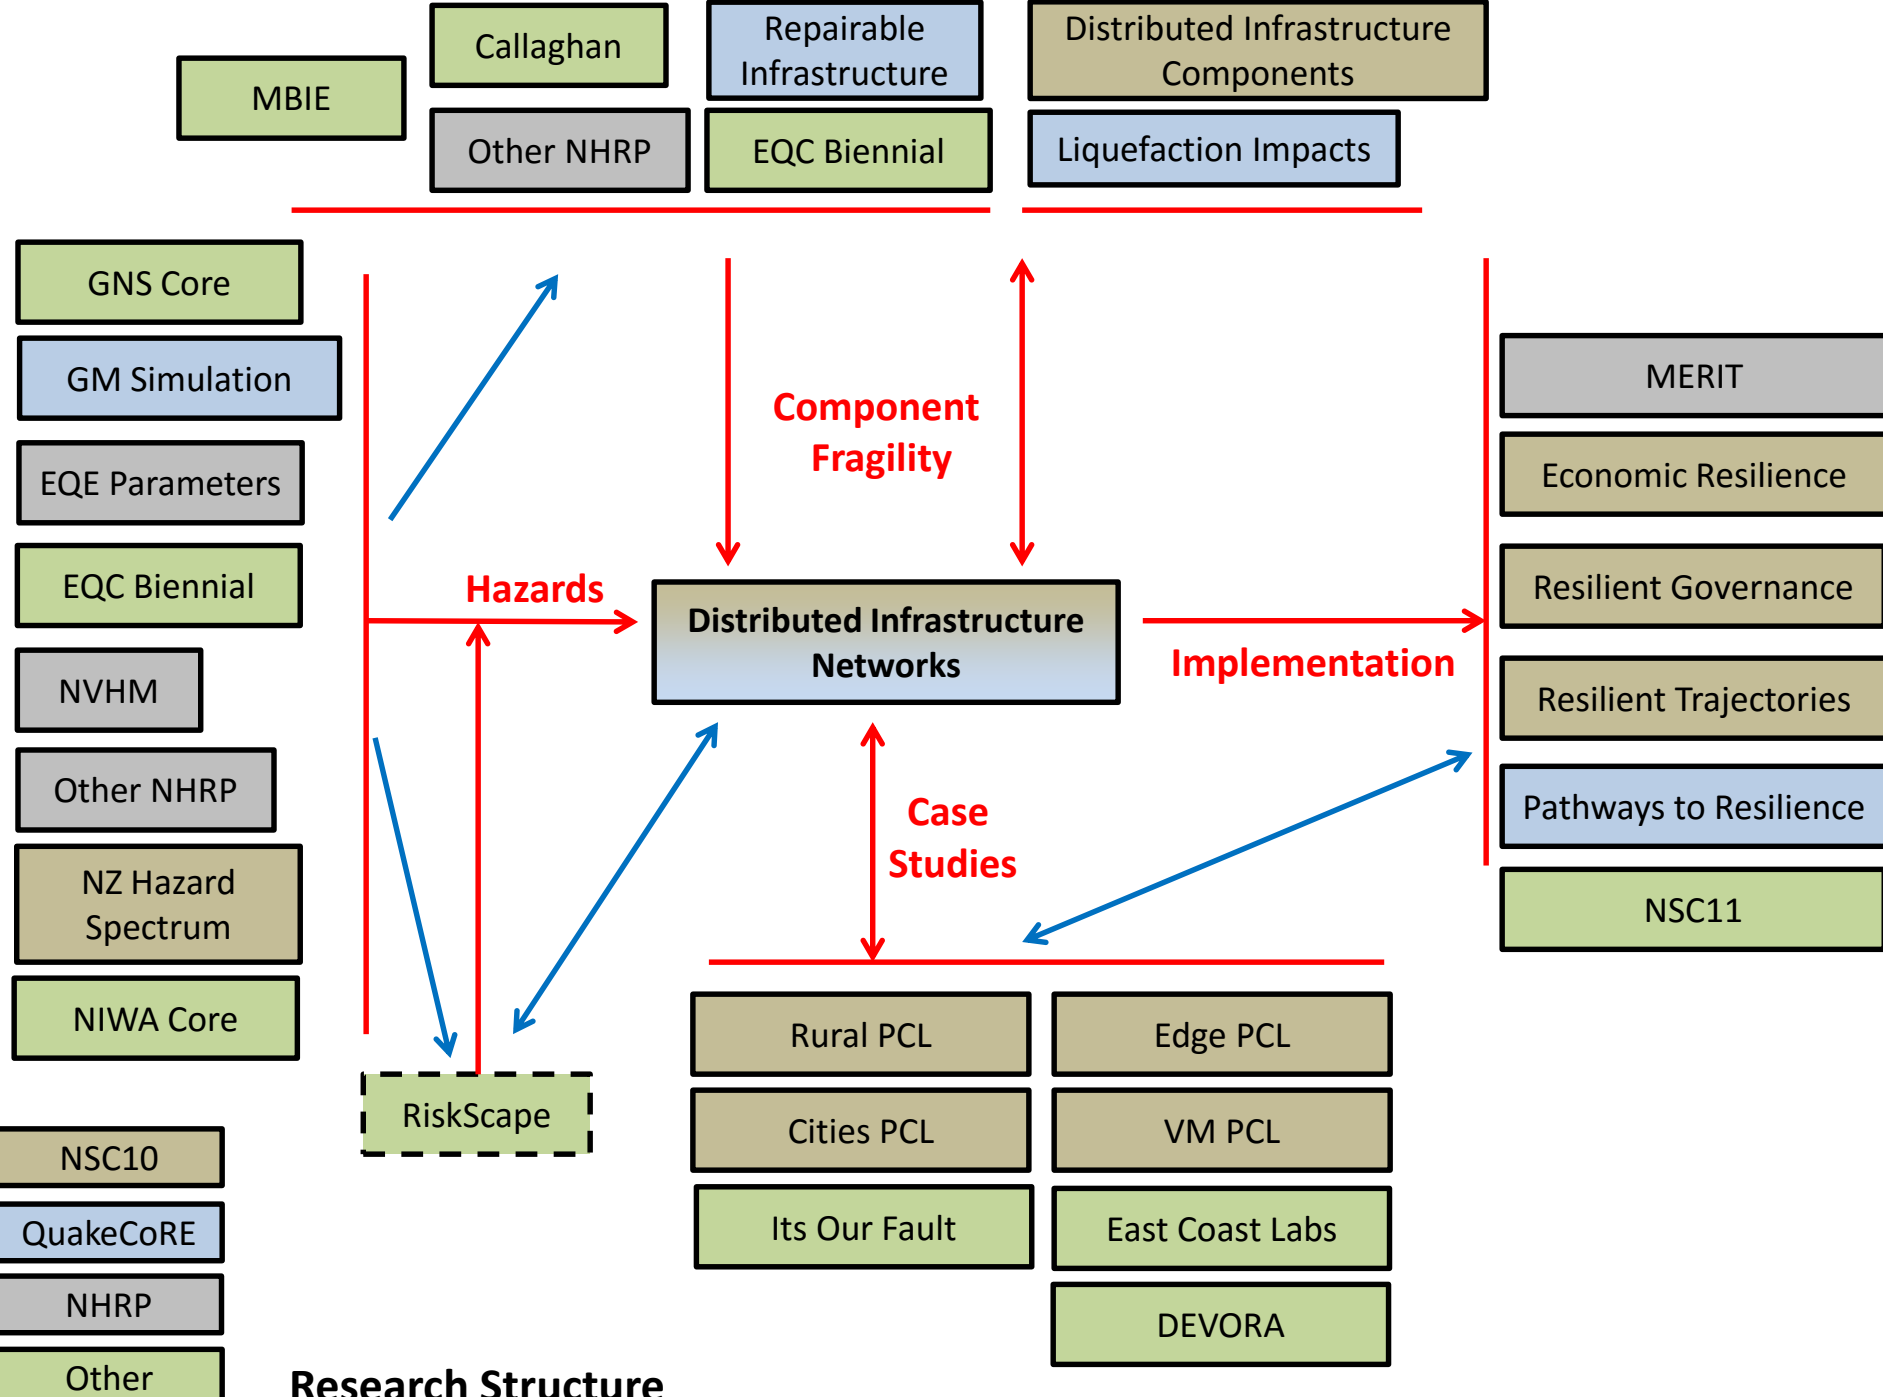

Case Studies

Christchurch

Canterbury &
West Coast

West Coast
(Rural PL)

Research Structure

Additional Research in RNC

- Recruitment for existing projects
- Year long targeted projects
 - ME/MSc
- Summer student projects
 - Align with existing projects

Project Coordination

- Monthly meetings
- Project Management: Trello – www.trello.com
- Information
- Meetings and workshops
- QuakeCoRE Annual Meeting

Information Repository

- Stakeholder relationships
 - Lead contact for stakeholder and researcher
- Calendar of meetings with stakeholders
 - Enable efficient engagement
- Researcher lists
 - Academic, post-docs + projects
- Data repository
 - Infrastructure, hazards, impacts
 - GIS data and reference documents

QuakeCoRE Annual Meeting

- Workshops: Wed 31 Aug
- Meeting: Wed evening, Thursday, Friday (till 3pm)
- 10 x 90 min 'sessions' – 4 types:
 - Welcome session; the State of QuakeCoRE
 - 4 x Plenary and discussion sessions with a specific theme (25mins x 2, 10min Q&A, 30mins moderated discussion)
 - 3 x Poster sessions (90 mins), all PI's
 - 1 x Lightning session – PhD thesis talks (12 x 5mins, 30 mins discussion)
- Similar to SCEC/PEER/EERI meetings; different than 'conference' layouts

Day 1 - Wednesday

8am-5pm:
Pre-meeting focused workshops

Time	Session
5-6pm	Welcome Reception
6-7pm	Distinguished Lecture – Tom Jordan
7 – 8:30pm	Dinner
8:30 – 10:30pm	Poster Session 1: (+ drinks & dessert)

Day 2

Time	Session
7:00 - 8:30	Breakfast - networking
8:30 – 10am	Session 1: Welcome and state of QuakeCoRE
10:00 – 10:30	Coffee
10:30 – 12:00	Technical Plenary 1
12:00 – 1:30	Lunch
1:30 – 3:00	Technical Plenary 2
3:00- 3:30	Coffee
3:30 – 5:00	Technical Plenary 3
5:00 – 7:00	Free time
7:00 – 8:30	QuakeCoRE Honours Dinner
8:30 – 10:30	Poster session 2 (+Drinks & Dessert)

Day 3

Time	Session
7:00 – onwards	Take down posters
7:00 - 8:30	Breakfast
8:30 – 10am	Technical Plenary 4
10:00 – 10:30	Coffee
10:30 – 12:00	Lightening talks: Celebrating emerging PhD researchers
12:00 – 1:30	Lunch – long for networking
1:30 – 3:00	Technical Plenary 5
3:00- 3:30	Awards + closing
