

# First Aid

Every thing about First Aid

- Geog First Aid Kits (maintained by Marney Brosnan):
  - Level 6;
  - Level 3 Geography Library;
  - Level 1 Physical Lab;
  - two in vehicles;
  - several in field equipment.
- UC First Aid Register (maintained by UC HR):
  - <https://intranet.canterbury.ac.nz/hr...register.shtml>
  - If you are listed as a first aider in the register, then expect the UC HR H&S Coordinator to contact you in the month your certificate expires, to remind you to take a refresher, which are organised on campus based on information in the register. St John is the preferred supplier, and standard refreshers should be booked with them.
