QuakeCoRE: The Centre for Earthquake Resilience Home

Welcome to the Wiki for QuakeCoRE, the NZ Centre for Earthquake Resilience - a shared space for our QuakeCoRE community to collaborate. With the transition to the new funding period 1 July 2021 - 31 Dec 2028, the child pages for the QuakeCoRE 2016-2021 programme will progressively be archived (see the second heading below).

QuakeCoRE Phase 2 (2021-2028) Contents

Disciplinary Themes: Research areas that collectively span the disciplinary pipeline of earthquake resilience and focus on transformative research questions in which NZ researchers have shown global leadership.

Interdisciplinary Programmes: Inter-disciplinary research that leverages NZ's unique situation and challenges to advance the vision of earthquake resilience. These programmes draw on expertise in multiple disciplinary themes.

Early-Career Researcher Network: Information about the ECR Network and Resources for ECR Researchers

Student Profiles: Details about the students aligned to the QuakeCoRE Programme and their research.

QuakeCoRE Phase 1 (2016-2021) Contents

Flagships: Research programmes that are multi-institution and multi-disciplinary research collaboration and engagement with end-users

Technology Platforms: Develop underpinning platforms for research

Special Projects: Externally-funded, aligned research programmes

Funding Results: RfP Projects awarded

Workshops and Travel Support:

Emerging Researcher Chapter Activities:

Annual Meeting Repository: Repository for Annual Meeting slides and posters

Operational: Working groups, Calendars, meeting details, publications lists, reporting timelines etc

Rebid: Publically-available material associated with the QuakeCoRE2 rebid for funding 2020-onward

---

Administrators for this page are Sung Bae,Jason Motha ,Ruth Hartshorn and Brendon Bradley Please contact one of them with any corrections or suggestions. This wiki and all subpages are viewable by the public. Anyone with a Tuariki Federation (ie NZ University or CRI email address) can be given write access for specific pages (ie Flagship leaders etc). Please contact one of the admins to organise this.
