16 May 2016 – Webconference agenda

1. Welcome from Jason
    a. A brief run-down on features of zoom
2. Introductions amongst participants. Please briefly give your name, institution, research interests, details of any current grants/projects either within QuakeCoRE or related to Flagship 3
3. The QuakeCoRE vision as a multi-disciplinary community. Feel free to invite others to future meetings
4. Wiki page
5. QuakeCoRE logos for use in presentations
6. QuakeCoRE Annual meeting. 31 August - 2 September 2016 | Wairakei Resort, Taupo. Poster presentations; workshops.
7. Technology Platforms. TP1 = Large-scale lab facilities; TP2 = Field testing and monitoring; TP3 = Multi-disciplinary community databases; TP4 = Computational simulation and visualisation
8. Projects for 2016
    a. The RE of QuakeCoRE is Research Excellence. Emphasis on science quality
    b. Implementation plan for monitoring 2016 projects
9. Projects for 2017
    a. Performance in 2016 will be a determinant
    b. A wish to amalgamate teams into bigger groups and fewer grants
    c. A wish within Flagship 3 to encourage further participants, without more funding being available. Perhaps additional disciplines (architecture, legal, health, etc.)
10. Project updates -
    a. Ann Brower
    b. Jason Ingham
11. General business
12. Regular timing for a monthly meetings
