# Communication - 2017

Aim: Use one of more audio-visual methods to develop materials (e.g. posters, videos, podcasts, blogs, webpages) which can be used to efficiently and effectively communicate to the general public

**USER students:** (add names here)

**Mentors:** Brandy, Tom, Brendon, Ali

See SCEC UseIT website for past examples of communication: http://52.26.186.219/internships/useit/

Ideas for workplan:

(here is an initial gantt chart from BB ideas)
