

HPC compute jobs tracking

1. When a user submit a job to HPC, he/she must update this page.
2. The latest entry should be at the top.
3. Status: Use cell colour using

and use the colour code as below.

Submitted	Running	Completed	Exited
-----------	---------	-----------	--------

- a. Time should be in X.XXX core hours format. eg. 4 hours 20 min * 40 = 4.33*40 = 173.2

[illegible]
