Sandbox

Please play around!

Use the menu on the left to make changes to your page, upload attachments and link the text on this page to the attachments. If you need any help, please let me know!

Challenges:

0. Type something on this page and save it to see what it looks like.

1. upload a document and create a link to the document from this page

2. insert a picture

3. create a new page associated to this one and create a link from here to the new page

Enjoy!
