

College of Arts UC Research Repository update, October 2011

Here are the latest statistics for the 1st quarter of 2012 for the College of Arts. Due to a major server upgrade late in 2011, statistics for the fourth quarter of 2011 were not able to be published. As a result, the figures in the *Research Outputs for all Colleges* table show a comparison between figures for Q3 2011, rather the usual end of year figures.

As always, new and established researchers are invited to deposit open-access copies of their research in the Repository. The UC Research Repository is fully compliant with publisher copyright, and the University Library is happy to provide training and advice to individuals or groups. To access more information on any aspect of the Repository, contact the Repository Coordinator (ir@canterbury.ac.nz). Researchers can also get individual assistance from their department's subject specialist Information Librarian.

Comprehensive figures for the Repository – by author, Department or item - can be viewed by UC staff via the Repository FAQ:
