Department of Chemistry,
University of Canterbury,
P.O. Box 1471,
CHRISTCHURCH.

Dear Bruce,

Thank you for your letter of November 28. February 16 would be a suitable date for the Seminar as far as I can tell at this stage. Your invitation list will be reasonable.

The appointment of the Official Project Committee is an affair for the University to decide internally, and we leave this arrangement to you.

We will look forward to learning the decisions made at your meeting of December 6.

Yours truly,

Bruce Moon.
