

Student Profiles

The QuakeCoRE Emerging Researcher Chapters (QERCs) would like to improve the discoverability of our research and expertise within the QuakeCoRE community. We have set up QuakeCoRE student profiles with the aim of connecting research topics, universities, supervisors, and much more. For now, profiles are organised by university and research topics - keywords provided by students.

Profiles organised by University (subdivision: main Supervisors):

- [Massey University](#)
- [The University of Auckland](#)
- [University of Canterbury](#)
- [University Of Otago](#)
- [Victoria University](#)

Profiles organised by research topic (based on keywords provided by students):

Information coming soon!

For now, profiles are being set up centrally, but in the future, we hope to give you access to update your own profile. Participation in this initiative is optional, but we would like to be able to include information for as many people as possible. If you have any questions or you want to be included, please don't hesitate to get in touch with Catalina Miranda (cmir794@aucklanduni.ac.nz).
