

Health Safety & Wellbeing

This wiki is intended as a central and secure point of access for communication by UC Geography's Health & Safety Committee.

- Goals: Ensuring compliance while improving safety.
- Terms of Reference: Address the operational aspects of safety in a largely field based discipline.

Geography safety information: <http://www.geog.canterbury.ac.nz/safety.shtml>

UC HR safety information: https://intranet.canterbury.ac.nz/hr/health_safety

Access to Wiki pages: *By default, there are no viewing or editing restrictions placed on new pages. Pages that contain confidential information (e.g. Event forms) must be restricted to those who need to know (The Safety Committee).*

PS: I'm still working out what to do with these pages... John.
