

Post Graduate Studies in Health Sciences At the University of Canterbury

Hello World!

Hi Student/Potential Student,

I am Arindam Basu, and I am the post graduate coordinator of the School of Health Sciences at the University of Canterbury. I have composed this page to provide you with information and some guidance on how to enroll for post graduate studies at the School of Health Sciences, the resources and pathways, links to courses, course materials wherever applicable, and other resources.

Please feel free to ask any questions that you may have and I shall try to respond as best as I can. Also, do not forget to check the main School of Health Sciences page and other pages.

The purpose of this page is to list various questions and solutions that we answer from time to time for administrators, student advisors, and students who are either working with us or are interested to study at the post graduate level at the School of Health Sciences, College of Education, University of Canterbury. If you have a specific question or would like to contribute an answer to a specific question that you see listed here, please write to Dr Arindam Basu at arindam.basu@canterbury.ac.nz. We shall add more information as and when we get them.
