Downloading records from The Cochrane Library

(i)

You cannot export records directly from this database into EndNote. Save your references and then import the records separately into EndNote.

From The Cochrane Library:

1. Select the results you want to keep, and then click on Export Selected.

Select all	Export all Export selected
■ ¹	Prophylactic drug management for febrile seizures in children Martin Offringa and Richard Newton Online Publication Date: April 2012 Review
